FERPA Agreement

The screenshot shows a Windows Internet Explorer browser window displaying a PDF document titled "FERPA Agreement". The document is a form for a "Permission to Release Education Record Information for Letter of Recommendation". It includes a paragraph explaining that the counseling department at Torrey Pines High School strongly suggests that a student/parent/guardian who seeks a letter of recommendation always waive access to read it. Below this, there are fields for "Name of Student:" and "ID #:". The form also contains a paragraph authorizing the parent or legal guardian to write a letter of recommendation in which he/she may reference the following educational records and information: Grades, Courses Taken, Extracurricular Activities, and Awards/Recognition. At the bottom, there is a statement of understanding: "I understand further that (1) I have the right not to consent the release of my education records; (2) I have the right to receive a copy of such records upon request; (3) this consent shall remain in effect until revoked by me, in writing, and delivered to Torrey Pines High School, but that any such revocation shall not affect disclosures previously made by Torrey Pines High School prior to the receipt of any such written revocation."

- **Be sure to print the FERPA form and return to counselor to waive your right to access letter.**
- **No counselor can write you a letter of recommendation without this form on file.**
- **Also, be sure to give one to any teacher who will be writing you a letter.**
- **Students who do not waive their right will receive a generic, neutral letter**

Schools NOT on the Common App

- Letters of recommendation are needed for private and some out of state schools only.

Check your colleges' requirements.

****Remember, UC/CSU Schools do not require letters of recommendation**
